

Private Swim Lessons

Private Swim Lessons

The Mays Chapel Swim Club is pleased to announce that for a limited time only, we will be offering private swim lessons and instruction to the community. Instruction will be on a one-to-one basis and focus on your child's individual needs. Previous experience is not necessary and we encourage all levels of ability to participate.

The Mays Chapel Swim Club Swim Lesson program is designed to promote aquatic safety through caring instruction in a personal environment. This individually orientated program covers techniques and knowledge in a steady progression for aquatic skill development. As your child practices these skills they will become safer and better swimmers. For the more advanced swimmer these lessons will also focus on training and stroke refinement to prepare your child for the competitive level.

General Information

- The private lessons will be on a first-come, first-served basis.
- Upon receipt of your registration form an instructor will be contacting you and work out the details of time and dates to begin the session.
- Each session will consist of five lessons and will last approximately 40 minutes each lesson.
- Enrollment is limited for each instructor. A waiting list will be developed for interested applicants who do not make the original roster. Additional classes will be created pending pool availability and level of interest.
